

There's the gym, and then there's the Y.

When you become a
Community Impact Member,
you become part of a cause
that is much bigger than a
building or a program.

You become part of a
cause driven community.

We'd like you to join us.

Our community faces more
uncertainty today than it has in
recent memory. 2020 was a difficult
year for everyone, but these challenges
will continue even as we enter a new
year with renewed hope.

While many of us will have the
opportunity to leave the pandemic
behind, many others will not. Amid
growing economic, academic, public
health, and social divides, Old Colony
YMCA is in a unique position to build
bridges, address critical community
needs, and create the a more
equitable future for the thousands
of children we serve every day.

cause driven community

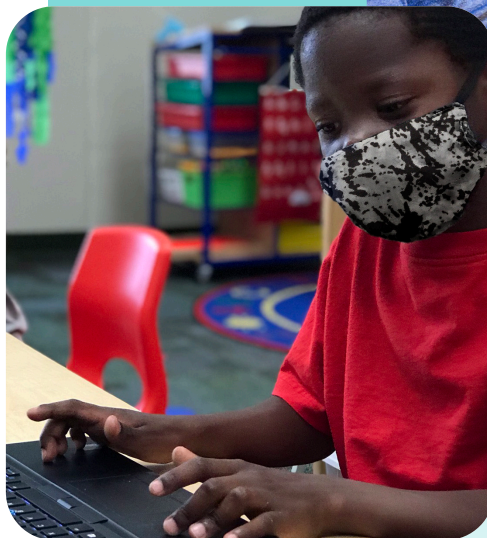

COMMUNITY IMPACT MEMBERSHIP

It's time people stopped "going without." Together with the Y, you can help us give every child, family, and senior a chance to not only succeed...but to thrive.

As our Y continues to deepen our commitment to service – a commitment that began in 1887 – we are calling on our community to step up to help the most vulnerable among us, and there's no time to waste.

Every day, families are going without food and essential items. Children are going without the technology and instruction they need to keep up with their education. Parents and caregivers are going without safe, quality child care.

Be a part of our cause today. Visit www.oldcoloniyyymca.org/community

Did You Know?

Old Colony YMCA has operated a licensed Mental Health Clinic for more than 25 years.

CAMP/SUMMER PROGRAMS

- Over 2,700 children attended summer camp
- 62% of children attending camp received some form of financial assistance

MENTORING & YOUTH LEADERSHIP

- 252 Mentoring, Kidz Connect, Summer Leaders participants

CHILDCARE

- OCY served 4,157 children daily within our 46 childcare sights
- 57% of the families in our childcare programs received financial assistance

ADDRESSING FOOD INSECURITY IN OUR LOCAL COMMUNITY

- 5,000 meals per week have been distributed to kids and families in need since mid-March of 2020.
- In October 2020, 50,000 lbs of food was distributed (the equivalent of one week of staple food items for 1,500 families) in partnership with the USDA's Farmers to Families program.
- During the 2020 holiday season, Old Colony Y Branches collected and distributed more than 2,000 lbs of food and other essential items throughout our region.
